INTERESTING ITEMS FROM EL VERANO AND VICINITY.

Weekly Record of all the Happenings in His Town as Faithfully Recorded by Our Wide-Awake Reporter, "Archie McKiver."

Bill Block of Vineburg was in town Sunday.

George and Harry Baines are spending the week in San Francisco.

Mr. and Mrs. Walter Gaige of Glen Ellen visited relatives here Sunday.

Jack Kelley of San Francisco is a guest at Paul Vannuchi's resort this week.

Thos. J. Butts, the Santa Rosa attorney, was in town Monday on legal business.

A. H. Kemp, principal of our grammar school, has gone to Chico to spend the holidays.

Henry Martens passed through here Tuesday morning en route to his home in Glen Ellen.

Mr. and Mrs. P. D. Wheatland were in San Francisco purchasing Christmas presents Saturday.

Miss Nettie McConiche, assistant teacher in our grammar school, is spending the week in San Jose.

"Pop" Hebbard of Sonoma passed through here Monday morning on his way to the county seat.

Elmer Owens, the mixologist, is here from the metropolis and will spend the holidays at Parente's Villa.

Mrs. Boomhoff and daughter of Santa Rosa are the guests of Mr. and Mrs. O. T. Wilkinson of this place.

Mrs. A. L. Gale, accompanied by Mrs. J. M. Armstrong, was an El Verano visitor to the county seat Saturday.

Miss Lucy Block, after a visit of several weeks in Sebastopol, returned to her home here Wednesday afternoon.

Sam Flamholtz of San Francisco arrived here Monday and will spend the holidays at the Fests farm north of this place.

Dr. E. L. Parramore of Boyes Hot Springs was a passenger on the Southern Pacific en route to Santa Rosa last Friday.

Al Benham, the well-known drummer for William Peck & Co., wholesale grocers of San Francisco, was in town Monday.

A carload of beef cattle, consigned to Noonan's meat market, Santa Rosa, passed through here Sunday via the Southern Pacific Company.

Miss Kittie Bosch returned from San Francisco Saturday evening and will spend the holidays with Mrs. Phil Rossi of this place.

Mr. Freeman, the new owner of the Palace Hotel in Sonoma, formerly conducted by Fred Lydecker, was in town Sunday making the acquaintance of our people.

Among the passengers on board the north-bound Southern Pacific train Monday morning were Robt. Poppe, the attorney, and Sam B. Lewis, the well-known butcher of Sonoma.

Hog-sticking time is now in full swing here and as a result spare ribs and pork sausages are some of the luxuries that many of our people have had upon their tables the past week. The architect of this spread was kindly remembered by his friends and desires to thank them one and all.

Owing to the building boom in this section of the valley and the great increase in business among our lumber merchants arrangements have been perfected with the Southern Pacific Co. to build a side track here 600 feet in length, work upon which will be commenced immediately after the new year.

A runaway here caused a great deal of excitement Monday. While Mrs. Kate Murray had just stepped out of her cart, in front of M. F. Mullen's store, the horse attached to the same became frightened and ran away. After making a complete circle around the town the animal was seized by Emmet Mullen and brought to a standstill. No damage was done, but Mrs. Murray had a narrow escape from getting caught in the wheels when the animal bolted.

While Mrs. Al. Weaver and her son, Kenneth Weaver, were returning from Santa Rosa in a light buggy, last Saturday evening, the animal they were driving became frightened near Kenwood and ran away. Both occupants were thrown from the buggy but fortunately escaped injury. The frightened animal, finding himself free dashed frantically down the road leaving the occupants behind to get home as best they knew how. The horse and buggy were found next morning alongside the road near Agua Caliente. The top of buggy was badly damaged, but the horse escaped injury.

THE PREMIUM RAILWAY DEPOT.

Rivalry Among Southern Pacific Employees to Win the Prize for Their Particular Station

Which of the ten divisions that comprise the Pacific system of the Southern Pacific Company will have the distinction of being the best during the present fiscal year? Which roadmaster's district will carry away this year's gold medal? What section will be awarded the gold medal and what sections will receive the silver medals? What station agent will receive the silver medals for the best kept stations?

The annual inspection over the Pacific system of the Southern Pacific is now on. The assistant chief engineer, with the division and district engineers, are now traveling over the lines of the company making a close examination of every particle of roadbed. The members of this party are inspecting the ballasting work, the drainage, the stations, pump houses and fuel oil and pumping plants. This is an annual affair on the Southern Pacific and competition between the different divisions is unusually keen. Intense rivalry has been created. The superintendent of one division does not like to be taunted by officials of a rival division and he strives, and the men under him strive, to make their part of the system the best.

This is healthy, efficient rivalry. Section foremen, roadmasters, trainmasters and even division superintendents vie with each other in their efforts to make their particular piece of track the best on road, or to have it said that the trains under their supervision are handled promptly and on schedule time. It is a part of the S. P.'s campaign for efficiency. It spells successful roadbuilding. During the fiscal year which ended June the Tucson division received the average of the entire system. The best roadmaster's district was in this division, while the best section was on the Sacramento division. The Salt Lake division between single Sparks, Nevada, and Ogden, Utah, and the Portland divisions between Ashland and Portland, Oregon, have been added to the Pacific system since the last annual inspection and the other 8 divisions of the road have been taken exceptional care of their roadbed, etc., in an endeavor not to let these new divisions take the honors for the present year.

Two of the divisions have already been inspected. The others will have been gone over within another six weeks and about the middle of February, 1912, the decisions will be announced. Then, Mr. Proud Citizen, see if there is a sign over your home depot that reads, "Premium Station."

Death of Peter Dado

Peter Dado, the well-known foreman of the Italian-Swiss Winery on the old Hearst ranch, passed away on Thursday of last week in St. Helena, whither he had gone several weeks ago for a change of climate. The deceased had been a very sick man for nearly a year, when he was stricken with pneumonia which later on developed into consumption of the lungs, and his life had been despaired of for many months.

The deceased was a man well liked by every body who was thrown in contact with him. He was aged about 30 years and is survived by a widow, several children, an aged mother and a number of brothers and sisters.

THE POLLONI \$25,000 DAMAGE SUIT.

The Jury After Being Out Several Hours Returned a Verdict in Favor of Sonoma Valley Company

The jury in the \$25,000 damage suit of Polloni vs. Ryland, president of the Sonoma Valley Co., after sitting on the case an entire week, retired to deliberate on a verdict last Monday night and after being out several hours came into court and returned a verdict in favor of Ryland.

A singular thing happened before the verdict was finally recorded. It appears when the jury were out one hour and gave a verdict of \$500 in favor of Polloni, but failed to follow the instructions of Judge Seawell, the presiding magistrate, to answer special issues propounded to them by his honor. They were then sent back to the jury room to complete their verdict and after a lapse of several hours appeared in court and reversed themselves in favor of the defendant.

This was a great surprise to both the court and the lawyers in the case, as such a thing had never been heard of before in any court of justice.

Contributory negligence on the part of Mrs. Polloni was the fundamental ground on which the verdict was based, as shown by the answers to the special issues submitted. It is believed that sympathy for the family caused the jury to want to give a small monetary consideration.

The case was submitted to the jury at 3:30, and at 4:30 the jury returned to have a portion of the Court's instructions reread. It was 5 o'clock when the jury again left the court room. The jury was then taken out to dinner, and about 8 o'clock returned into court with its verdict for \$500 for the plaintiff but without answers to the special issues. Judge Seawell without reading the general verdict, ordered the jury to return and agree upon the special issues. It was 9:30 when the jury finally returned to court with a verdict for the defendant.

Girls Played Basket Ball Last Night

The girls of the basket ball team of the Yellow Jacket Cadets went over to Petaluma last night and played the girls team from the Petaluma High School. Before the time of going to press we could not learn which team had been victorious but think the Sonoma girls stand a fair show of winning.

The trip from here was made in R. Thompson's big touring car, and Mrs. Roberts acted as chaperon.

The line up of the Sonoma team was as follows:
Forwards, Georgie Andrews and Ramona Granice; centers, Marjorie Buchan and Florence Rubke; guards, Eva Dressel and Henrietta Weber; referee, Mary Cherry.

HENRY BURRIS IS NOW DIVORCED

Termination of a Hasty Marriage Solemnized Last March in Which There Was no Honeymoon.

Mrs. Sarah Duffy Burris was granted a divorce Monday in Judge Mozan's department of the Superior Court of San Francisco from Henry Clay Burris.

The marriage took place last March in Santa Clara and immediately after the ceremony the groom took to his heels, claiming he had been forced into an unwilling marriage at the point of a pistol. Shortly after he brought suit in San Francisco to have the marriage annulled on the grounds of coercion.

About the same time the wife got busy, too, and sued her unappreciative spouse for separate maintenance, setting forth her desertion and denying that the marriage was a forced one. She very modestly asked for \$200 per month and \$2,000 attorneys fees. Now, this was not to the liking of Henry, who didn't want a wife anyhow, particularly one costing \$200 per month with an attorney fee of \$2,000 tacked on to the bride of a day. He therefore rebelled and refused to pay. The wife then sued for divorce without alimony or further costs to her unwilling spouse, and it was this suit that was decided by Judge Mogan last Monday.

WELCOME WORDS TO WOMEN

Women who suffer with disorders peculiar to their sex should write to Dr. Pierce and receive free the advice of a physician of over 40 years' experience—a skilled and successful specialist in the diseases of women. Every letter of this sort has the most careful consideration and is regarded as sacredly confidential. Many sensitively modest women write fully to Dr. Pierce what they would shrink from telling to their local physician. The local physician is pretty sure to say that he cannot do anything without "an examination." Dr. Pierce holds that these distasteful examinations are generally needless, and that no woman, except in rare cases, should submit to them.

FRANK BARRY, President

Reapportionment Fracas.

We have had in this State a great many machine-controlled Legislatures. Some of these have had occasion to pass reapportionment bills and a good deal of gerrymandering has been done at one time or another.

But never in the history of this State, and possibly never in history has there been gerrymandering so shameless, so persistent, so utterly oblivious of decency, so recklessly inconsistent with oath-bound obligations, so surcharged with personal and political malignity, so disgracefully dominated by petty and contemptible political intrigue as that which is now going on at Sacramento at the hands of a Legislature which claims to be the holiest of all Legislatures, pure as the driven snow and the representative of perfect purity and political sweetness and light.

It is a programme Legislature such as this State has never been cursed with before, and will do what it is bid to do, regardless of anything but orders, and this is not written with any expectation that it will in the slightest degree affect legislative action, but merely as an act of journalistic service in giving voice to the universal feeling of execration and contempt.

We do not know that this Legislature is attempting more than some of its predecessors would have liked to do. We do not think it has.

But no machine made Legislature, no matter how rotten, would have dared to attempt what this Legislature is doing lest its members should be mobbed as soon as they were once more within reach of their enraged constituents.

In order that Kent, a member of Congress absolutely useless except for the odor of political sanctity which he exhales, may be sure to keep his job, and Needham, the most useful Congressman which California has had for many a year, may be sent to the political scrap heap, Congressional districts are being cut into the weirdest of shapes and composed of counties of absolutely diverse interests. Other districts are being constructed by the same method for similar ends.

The legislative apportionment is to be made partly on the theory that the cities are not to be allowed the representation to which their population entitles them, but mainly to conform to the personal ambitions of the more rampant of the outfit as they may be compromised under the logrolling which goes on from day to day. In fact, the personal ambitions of Senators and Assemblymen dominate the situation in all reapportionment bills.

It may yet be necessary to start initiative proceedings in order that proper reapportionment bills may be passed by the people.—San Francisco Chronicle.

VINEBURG NEWS ITEMS

"Easy Jim" Tells in an Interesting Way all About the Week's Happenings in and About His Section of the Valley.

Arnold R. Ibbi of Penns Grove was the guest of Mr. and Mrs. H. Forni of this place the past week.

Sunday was a beautiful day and quite a number of people visited here and for a time it was quite lively.

Miss Mary Batto was a passenger on last Saturday morning's train on a visit to her sister Mrs. August Figone of San Francisco.

Mrs. Harry L. Hunter visited friends in the bay cities the latter part of last week and returned to "The Knoll" on Monday evening.

A. Griffith of this place has just received from Stockton a very handsome buggy made to order and will be used by the family. It is certainly classy.

Enrico Forni has fenced in his property opposite the station here and in the near future he will improve it. We would all like to see this burg improve.

Mayor Cummings of Sonoma was shaking hands with his many friends in Vineburg last Sunday afternoon. We are always glad to welcome his honor in our burg.

On the Hyde tract they have a lady who does not think about voting or politics either. She just gets out and does Grangers work, and you will see she wins out.

At a meeting of the Box Car Irrigation Club last Tuesday evening it was moved and carried to hold an election of officers on July 31st, 1912. Seven new members were enrolled.

Among the passengers who arrived here last Monday evening from the metropolis were William McIntosh, Fred Batto, John Picetti, Mrs. Harry L. Hunter, Miss Adele Andrieux and Miss Marie Mitchell.

Carl Weishaar, the general proprietor of the well known One Mile House, was a visitor to the Pleasant Villa Sunday and he told us the following: "Two fishermen from Vineburg came to my place one evening and said they caught a bass that weighed 32 1/2 pounds. One caught the 32 and the other the 1/2 pound. I took it all in. Well, I have often times heard some funny fish stories, but dot was the limit."

MARTIN MULDRY'S LICENSE REVOKED

Under Provisions of Liquor Ordinance No. 95, No Other Recourse Was Left to City Trustees

A special meeting of the City Trustees was held with closed doors Wednesday evening to take action in the matter of revoking the liquor license of Martin Muldry, charged with selling whiskey to an intoxicated man.

After listening to the evidence of several witnesses and there being no denial on the part of the accused the license was revoked by a unanimous vote of the Trustees under the provisions of Ordinance No. 95, drawn up by City Attorney Poppe and passed by a previous Board.

This action on the part of the City Trustees will meet with the approval of all law-abiding citizens, even though the ordinance in question may be an unjust one. We say unjust, for it is obviously so, because it puts a man completely out of a business in this town for all time to come for his first offense after being a retailer of liquor here for forty years.

We submit, that the penalty under this ordinance is too severe for a first offense and that a man should be given a second chance which this one-sided ordinance denies him. There should be a fine or something of that sort for the first offense and then a revocation of the license for the second offense—that is to say, if it is the intention of our local law-makers to regulate and not to abolish the liquor traffic in this town.

Woman's Club Notes

A large gathering greeted Mrs. Thos. J. Geary last Friday afternoon when she addressed the Club on the subject of "Home and School Associations and Mother's Clubs of the Santa Rosa Branch," of which she is President. Mrs. Geary severely criticised the indifferent attitude of so many parents toward school conditions. A large number of club women will work strenuously to improve streets or parks, but will take no interest whatever in improving public schools in order to insure higher efficiency and character for our future citizens. The work of the Santa Rosa Club was described in a way that was very instructive, especially to the members of the Sonoma branch, and thanks were due Mrs. Wagon for arranging such an interesting afternoon.

The music of the program consisted of some charming songs by Mrs. Emparan and Miss Waterman. Mrs. Bateman accompanying later ten cakes were served by the club hostess, Mrs. Campbell.

At the brief business meeting it was decided to sell refreshments at the masquerade ball New Year's night.

A special meeting is called for Friday, December 29th, at 2:30 p. m., to make final arrangements for purchasing the new club house lot.

FINAL BRIEF IN THE BURKE CASE

It is Filed by District Attorney Clarence F. Lea in Answer To Defendants Lawyers

Dr. W. P. Burke, who is now out on \$10,000 bail after being convicted of dynamiting Elta Smith and her infant with the object of committing double murder, and sentenced to serve 14 years in the penitentiary will soon know whether he will be given a new trial or not.

The briefs pro and con have been filed in the appellate court and a decision is looked for within the next few weeks.

This celebrated case was prosecuted to a successful finish by District Attorney Clarence F. Lea in Judge Emmet Seawell's department of the Superior Court of this county.

The defendant and his lawyers have appealed the case in the very slim hope of having the higher court reverse Judge Seawell, whose rulings, owing to their fairness, have invariably been upheld by our higher courts, and we predict the Burke case will be no exception to the rule.

Retailed Whiskey Without License and Got Soaked

Peter Cornelsen, who conducts a hunting resort at Sears Point, on the line of the Northwestern Pacific railroad about ten miles south of this place, plead guilty in Justice Atchinson Court, Santa Rosa, Thursday evening, on a charge of selling whiskey without a county license. He was fined \$75, which he paid on the spot with \$35 in dimes and nickels and \$40 in gold, which he had on his person when arrested.

Cornelsen was arrested on a tip given by a party in this valley by Constable Orr of Cloverdale when he went to Sears Point on a duck hunting trip and got a drink of whiskey without trouble.

While in court, Cornelsen, who is somewhat of a wag, remarked that while the officer went duck hunting he caught a big sucker.

SONOMA BREWERY GAINS FIRST POINT

Its Demurrer to John Steiner's Complaint is Sustained by Judge Denny

In Judge Denny's department of the Superior Court last Tuesday, the demurrer to the complaint in the suit instituted by John Steiner against the Sonoma Brewing Co. to recover \$700 or \$800 alleged promoter, director, manager and President of the company, was sustained by his honor on the ground of uncertainty, and

days was allowed Frank Sprague, attorney for Steiner, to amend his complaint. Col. J. W. Oates of Santa Rosa represents the nine brewery directors and its fifty stockholders, all of whom are residents of this valley. These, after having put \$40,000 in gold into the brewery project promoted by Steiner are now sued by him to recover a few paltry dollars alleged to be due him for services, etc.

But, too, in face of the fact that they are his sureties for the payment of a \$3,500 note executed day previous to his turning over the brewery to the newly incorporated company.

The company, however, is still doing business at the old stand.

Trinity Episcopal Church

Christmas services will be held next Sunday in the Masonic building by Rev. Thomas Parker Boyd, as follows: Sunday School at 10:30 a. m.; at 11 a. m. morning prayers with sermon; at 4 p. m. a short vesper service, and an entertainment by the Sunday School, with Christmas recitations and carols, concluding with the lighting of a beautiful Christmas tree and distribution of gifts.

Mrs. J. Bateman spent a couple of days in San Francisco the latter part of the week.

Hair Falling?

You certainly cannot lose your hair and keep it, too. Which shall it be? Lose? Then do nothing. Keep? Then use Ayer's Hair Vigor. That is about all there is to it. Ayer's Hair Vigor is also a splendid hair-dressing and hair-tonic. It keeps the hair soft and smooth and greatly promotes its growth. It does not color the hair. Consult your doctor freely. Doctors are studying these hair questions much more than in former days.

To Clean a Carafe.
Every housekeeper who owns a carafe has been up against the proposition of cleaning out the deposit on the inside. Hot water, besides being extremely bad for the glass, is of little avail, even if it be very soapy. Here is a process which takes but a few moments and is very satisfactory. Place in the bottle a teaspoonful of hydrochloric acid or spirits of salts. Manipulate the bottle so that every portion of the deposit shall be thoroughly rinsed. The deposit, no matter how hardened, will be removed immediately. When the carafe has been thoroughly cleaned rinse well in clear water.—Philadelphia North American.
